bim, the estinies of the nation, had its origin cricum, ances dir o ap e with Mr B chanat; and this is unquestionably True. The charge became public from Gen. 'o see the best and highest hopes of his grat Jackson's stating that Mr. Clay or his friends affectighted agained age. It'er the had ma e proposals to vote for him for the over to public ju ce the high and in it. Pre dency in the House of Representatives if, ing a d cringing and crawl g author of las after his election, Mr. Clay could be Secretary wro g. We do not say that the forbase of Sale. And Gen. Jackson said that he could this great and glorias a degrowing of pa rove ' is by a distinguished member of the wood was right, but we do s y t a' il - are House from Pennsylvania, meaning Mr the country's at 1 m nkm a' a 1 c ap-Buchanan. Mr. Clay, with his characteristic plause. And tin property in to the appromptit de, took issue at once by denying the plause before on Herry Clysod bethe that Mr. B had said to him that Mr. Clay or whether Mr. Clay should publish what occur-his frie is had through him proffered the vote red between himself and Mr. Buchanan i 1825 measure offended Gen. Jackson by failing to which was put forth from a bigh source i r accretary hip, and was so worded that we state-and let it be diffit ca - at Mr

proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains aiming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains aiming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains aiming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the Kentucky vote in consideration of the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the Secretaryship of State, at least left a distinct impression upon the G.—Clay or whether the left remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the secretary remains a ming the proposed to give him the ral's mind that Mr. Clay and his friends had his death, but there made this preposition—an impression so ... some in this city, some Lex.: in, a decime all confirm the remove mentioned yesterday that through the conversations on the

The But for Mr. Buchanan's representation, it. He always said is he conversations on the the trust the chieften apoke and acted upon the B. But for Mr. Buchanan's representations, the case of Mr. Bushanan's representations of the three presentations of the second of the Semental What the words were that Mr. Bushanan's representations of the bush of the presentatives will also also be a second of the Semental What the words were that Mr. Bushanan's representations of the semental biling to accuse the word white the called the U.S. S. T. W. Buchanan, and will be known to the present generation, and will be accused having been made in such a high quarter, a greet party throughout the nation felt them selves called on to sustain it; and Mr. Buchanan, when forced to speak out, expressed its belief that Mr. Clay was guilty of bargain and corruptor popeal, and, the accusal having been made in such a high quarter, a greet party throughout the nation felt them selves called on to sustain it; and Mr. Buchanan, when forced to speak out, expressed its belief that Mr. Clay was guilty of bargain and corruptor, and thus, throughout the lifetime of a greation was excluded from national to raby the sheer force of cruel, bare, and most improbe by its acceptance of a gration was excluded from national to raby the sheer force of cruel, bare, and most improbe to call for the crue to the constitution of the discussion of t

would actually have voted for him if he could have obtained from him or his friends at a surance of the Secretaryship. Now Mr. Fucurance of the Secretaryship. Now Mr. Fucuran knew, during all those years of Mr. Clay had not proposed to him to vote for Gram Jackson if he could thereby obtain the Secretaryship, but first had actually turned a after the ration in the first had actually turned a after the ration in the him of the ration in the result in the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration in the could thereby obtain the Secretaryship, but first had actually turned a after the ration in the him of the ration and the ration in the could be a after the and in the could be a secretary should be a after the war of the war of the war of the ration in the could be a after the war of the war of the ration in the could be a secretary should be a secretary should be a after the ration of t who has read it, setting forth that Mr. Bu-chanan himself, in January. 1825, while the Preside tial election was pending in the House of Representatives, sought an interview with of the ora on. If t were the content of the ora on. Gen. Jackson would have if elected, end. as the ptth of the whole communication, stated The Ir tianapo' e' y let even f Mr. explicitly that Mr. Cay would be the Secretary of State—of course upon condition of his voting for Gen. Jackson. Gov. Letcher was voting for Gen. Jackson. Gov. Letcher was but a very brief pero, for a largery and the second form. Clay. Mr. Bu channe's was made to Mr. Clay. Mr. Bu channe's was made to Mr. Clay. Mr. Bu chanan then knew, indeed he had hetter reason than any other man living except Gov. Letcher had declared "We let r ri of Mr. B than any other man living except Gov. Letcher than any other man living except Gov. Letcher to know, but Mr. Clay did not, as charged chanan's exprise a selection of the know, but Mr. Clay to know. But Lating of the control of the know, but Mr. Clay did not, as charged chanan's exprise a selection of the control of the upon Mr. Buchanan's alleged authority, propose through him to harter his voic to Gen

Jackson in consideration of office. Nay more,
the knew that Mr. Clay had, through him, been
offered the Secretaryahip for his vote in the
event of Jackson's election, and that he had
refused the offer without even parleying a moment upon the subject. When called on to say
